

ZMBH Seminar

SPEAKER

Dr. Ioannis A. Papaioannou

Department of Genetics & Biotechnology
Faculty of Biology, University of Athens
Panepistimiopolis, Ilissia, Athens, Greece

TOPIC:

„Genetic and molecular aspects of heterokaryon
incompatibility in the plant pathogenic
ascomycete *Verticillium*“

DATE:

Wednesday August 12 2015

PLACE:

**Im Neuenheimer Feld 282
Zentrum für Molekulare Biologie
room 20**

TIME:

11 a.m.

HOST:

M. Knop
