

ZMBH Symposium

DKFZ-ZMBH-Allianz

Wednesday, June 10, 2009

Institute for Zoology, INF 230, Small Auditorium!

- 09.00 a.m. **Andreas Ladurner**
EMBL, Heidelberg
„Epigenetic modifications and stress-induced metabolites regulate chromatin dynamics“
- 09.35 a.m. **Thomas Surrey**
EMBL, Heidelberg
„Physical systems biochemistry of cytoskeleton dynamics and function“
- 10.10 a.m. **Helle Ulrich**
Cancer Research UK, London Research Institute, Clare Hall Laboratories, London, UK
„Functions of ubiquitin and SUMO in genome stability“
- 10.45 a.m. - end of symposium -

Chair: Prof. Bernd Bukau

Guests are most welcome!
