

ZMBH Seminar

SPEAKER: **Federico Pelisch**

Wellcome Trust Centre for Gene Regulation and
Expression
College of Life Sciences, University Dundee

TOPIC: *"DNA damage-induced hnRNP K
SUMOylation regulates p53
transcriptional activation"*

DATE: **Monday 29.10.2012**

PLACE: **Im Neuenheimer Feld 282
Zentrum für Molekulare Biologie
Room 001**

TIME: **4 p.m.**

HOST: **F. Melchior**
