

# **Seminar**

## **Research program**

### **Cell and Cancer Biology/ ZMBH**

**Speakers:**

**Peter Tessarz**

**Juliane Winkler**

**(ZMBH, Research Group B. Bukau: Chaperones and proteases)**

**Theme:**

**Molecular chaperones, polarity formation and the spatial distribution of protein aggregates**

**Date**                      **Wednesday, October 8, 2008**

**Location**                **Hörsaal 1, KOZ, DKFZ**

**Time**                      **12:00 am**
