

# ZMBH Seminar

**SPEAKER****Ute Wieden-Kothe**

Department of Chemistry & Biochemistry  
University of Lethbridge, Alberta, Canada  
*Visiting Scientist Labor Knop*

**TOPIC:**

“Target transcriptome of two pseudouridine synthases – more than tRNA modifying enzymes”

**DATE:**

**Thursday March 12 2020**

**PLACE:**

**Im Neuenheimer Feld 282  
Zentrum für Molekulare Biologie  
room 001 ground floor**

**TIME:**

**4 p.m.**

**HOST:**

**M. Knop**
