

# ZMBH Seminar

- SPEAKER:**                    **Jingji Zhang**  
**Dept. of Cell and Molecular Biology**  
**Uppsala University**  
**Sweden**
- TOPIC:**                        **Rapid kinetics and cryo-electron**  
**microscopy in studies of how the accuracy**  
**of codon selection by transfer RNAs is**  
**tuned by magnesium ions and amino**  
**glycoside antibiotics**
- DATE:**                        **Wednesday, September 21, 2016**
- PLACE:**                        **Im Neuenheimer Feld 282**  
**ZMBH R 512**
- TIME:**                         **2 p.m.**
- HOST:**                        **B. Bukau/G. Kramer**
