

ZMBH Seminar

SPEAKER

Alejandro Colman-Lerner

Institute of Physiology, Molecular Biology and
Neurosciences, University of Buenos Aires,
Argentina

TOPIC:

"Pheromone-Induced Morphogenesis Improves
Osmoadaptation Capacity by Activating the
HOG MAPK Pathway "

DATE:

Monday 18.03.2013

PLACE:

**Im Neuenheimer Feld 282
Zentrum für Molekulare Biologie
room 001 ground floor**

TIME:

4 p.m.

HOST:

M. Knop
