

# ZMBH Seminar

**SPEAKER****Ruth Geiss-Friedlander**Universitätsmedizin Göttingen  
Institut für Molekularbiologie**TOPIC:**„The dipeptidyl peptidase DPP9 acts as a  
molecular switch targeting the tyrosine kinase Syk  
to the N-end rule pathway”**DATE:****Tuesday Juni 13 2017****PLACE:****Im Neuenheimer Feld 282  
Zentrum für Molekulare Biologie  
Room 001 ground floor****TIME:****2 p.m.****HOST:****F. Melchior**
