

ZMBH

Minisymposium

Thursday, Dec. 12th, 2024
BZH | Im Neuenheimer Feld 328 | SR 25, ground floor

- | | |
|--------------|---|
| 14:30 | Helen May-Simera
Ciliary Cell Biology, Institute of Molecular Physiology, Johannes
Gutenberg-University Mainz
<i>Decoding Signaling Mechanisms in Ciliopathy Related
Renal Extracellular Vesicles</i> |
| 15:00 | Viktorija Glembockyte
Max Planck Institute for Medical Research, Heidelberg
<i>Nanoscale tools for sensing and imaging single
molecules</i> |
| 15:30 | Break |
| 15:45 | Ron Schwessinger
GSK, Heidelberg
<i>Single cell gene expression prediction from DNA
sequence</i> |
| 16:15 | Sebastian Eustermann
EMBL, Heidelberg
<i>More than the sum: understanding the self-
organising genome</i> |
| Host: | E. Schiebel |
